The Library will be closed
on September 2nd
for Labor Day

From the Director's Desk— I hope you enjoyed the Summer Reading Program this year— it was a hit, and helped both the library and patrons delve and “dig” into what lies “beneath the surface.” This not only means within the stories we check out and read from the library, it gets into what makes us who we are and why we do what we do. and what makes us who we are. Stay tuned for a survey, available on our newly designed website (coming soon), in paper at all three branches and in the Saturday edition of the Rochester Sentinel and weekly Shopping Guide News. We hope to develop a plan for the library's future based upon your wishes, wants and needs. We need your feedback, and most of all, we need you!— Jon
