YOUR ENLARGED TELEPHONE SERVICE

Few telephone systems in the State have as wide a range of telephone service as does Rochester. Whippoorwill and Talma are already built into the Rochester exchange and Loyal is now being built in. These three neighborhoods added to what Rochester already had makes a very large exchange and subscribers get all this service in their homes for only five cents per day.

Also, Rochester toll lines reach Argos, Macy, Leiters Ford, Fulton, Kewanna, Akron and Mentone and you can talk to any phone in any of these exchanges for only 10 cents for five minutes.

Also, we call Chicago, Indianapolis, South Bend and many other cities direct, that is, by a through ring and this makes very fast long distance service.

We appreciate patronage by trying to give the very best service that good equipment and obliging operators can furnish
