

From the Director's Desk...

Hello FCPL Patrons!

It is that time of year again- fall has fallen, and before we know it, Christmas and the New Year will be here! I wanted to take this opportunity to let you know about a new fine forgiveness program FCPL is launching, beginning October 1. "Friends for Fines" is like the "Can Your Fines" program in which your fines are forgiven by FCPL staff for donations to a worthy cause.

Our Friends of the Library group is in need of your support, so with the board's blessing, we are implementing a new program in which FCPL staff will erase a dollar-for-dollar match: give a dollar (\$1) and we will wipe out \$2. Join the Friends for \$5 and FCPL staff will wipe out up to \$10 in fines. It is called amnesty, folks, and we are all about it. This does not count toward fees or replacement costs (or fines for other libraries), only fines- but hey, at least it is a start. We want to support a group that is instrumental to our library's survival and well-being.

Also, Friends of the Library Week is October 19-25, so stop in and meet some friends as they will have free goodies and meet & greet all that week. Stay tuned for more details. Thank you for your support and visits to FCPL, and if you get a chance, check out our new website at www.fulco.lib.in.us, you'll be amazed! As always, if you need anything, my door is open- I love visitors! - Jon

 Ask for Gordon!**

"Do not ask your children to strive for extraordinary lives. Such striving may seem admirable, but it is the way of foolishness. Help them instead to find the wonder and the marvel of an ordinary life. Show them the joy of tasting tomatoes, apples and pears. Show them how to cry when pets and people die. Show them the infinite pleasure in the touch of a hand. And make the ordinary come alive for them. The extraordinary will take care of itself."
