

Collaborative Summer Library Program

Hello library folk! Jon here, your friendly, neighborhood underdog (librarian). There's no need to fear, Librarians are here! For many years, libraries have called this thing that runs most of June and July the "Summer Reading Program."

Don't get me wrong, it is still all about reading, but libraries are so, so much more than just books these days. Take a look around and know we have worked hard to be there for our communities in ways besides just books- we have eBooks, eAudio, streaming media, genealogy and foreign language resources available on our website, and that is just the tip of the iceberg. The library is a place where anyone from anywhere can come to be, to read a paper, use the internet or computers, or just to socialize and enjoy library programming.

This year, the theme is super heroes of all kinds, and we are trying to do things a little different. This year's Summer Library Program is all about participation— We need you!!! Want to write a review? Want to come to a program and make a craft? We are here for you! Everything counts for points toward prizes and giveaways.

We are grateful to be able to serve you. As always, if there is anything we can do, please don't hesitate to let us know— no matter how small. We are here to serve. Thank you for giving us the opportunity! See you at the library!! —Jon

“Every Hero has a Story”

Our entire staff has been working faster than speeding bullet, they are more powerful than a locomotive and they are able to leap tall buildings in a single bound in order to get our Summer Library Program off to a great start.

We are so excited this year to be able to give everyone more opportunities to win prizes by counting everything.....books, E-books, play-a-ways, books on CD, DVDs, Blue Rays, Music CDs, even any programming you attend....Holy Points Total Batman!

We have library programs galore and in conjunction with the Culver Community Schools, FREE lunch will be served to all children under age 18, in the Aubbee Community Building, Monday through Friday, 11:30 – 12:15 beginning June 1st and running through July 24th — what a deal — library fun and lunch too! We even have a BINGO game for each of you to complete to get a FREE Indiana Beach Ticket.

We can't wait to see all the heroes that come to make this summer super duper exciting! Our Spidey Sense is telling us that “Every hero has a story” and you are all super heroes! What is your super power? I'll bet it is amazing just like our library.
