

## From the Director's Desk:

Looks and feels like fall is coming on, trees are turning, air is crisp. This is my personal favorite time of year. This is great time to borrow a great book and read, check out your favorite horror flick, or grab a cookbook for Thanksgiving. As always, there is a lot going on at the library, from programs and crafts, woodcarving and coloring for adults to great kids programs like the Afterschool Crew on Wednesdays and storytimes once a week at Rochester on Tuesdays. There is always something for everyone here at your Fulton County Public Library. We are always looking for new, exciting ways to better serve our patrons, so please drop me a line and let me know what you would like to see at your library!

As for what we do, stay tuned and we will be bringing new and exciting things to you in the not too distant future, and as always, we will keep on offering the newest, latest best sellers, videos and music. You might be interested in checking out our electronic resources too- I really love Zinio: e-magazines. They send you an e-mail when the next issue is available, and I never have to return a single thing. We offer Hoopla- a Netflix for libraries, Freegal- free music downloads with your library card, and the 3M Cloud Library- a collection eBooks for FCPL Cardholders only- no wait on most of these items. Learn a language with Mango Languages, or read to a kiddo with Tumblebooks- both for teens and children. The books are great, and the convenience is so worth it- no due dates, no worries. Tempus fugit, so keep in touch and feel free to start the conversation with a friend or neighbor about your Fulton County Public Library! Cheers- Jon

Recently two new signs were erected at the Fulton County Public Library Arboretum: one at the entrance along Pontiac Street, and one at the corner of Fulton Avenue and 6<sup>th</sup> Street. The arboretum is a peaceful, unique experience for the entire community to enjoy, and the signs make a welcome addition. The Friends of the Fulton County Public Library would like to thank the following groups for their generous funding to help complete this project: Coffel Vending, the Fulton County Community Foundation, the family of James Heyde, and REMC.

Sincerely,  
Jeannie Haack,  
President  
Friends of the Fulton  
County Public Library
