

Therapy Dogs Visiting During SLP

We asked a few of our friends if they wanted to hang out with us during some of our summer library programs and they said they would love to! Come out and see, feel, and play with one of our certified therapy dogs. Samantha will be in Rochester on Fridays at 1:00 pm. Nakita will be in Fulton on Mondays at 2 pm. Oliver will be at Aubbee on Tuesdays at 10:30 am. Each of our friends will be with us throughout the summer beginning on June 6th. We are going to surprise our new friends and set up an obstacle course. They will meet "Professor Popcorn" and learn how to be healthy. If time permits, we may even read one of our favorite books to them.

Samantha, Nakita, and Oliver

"Leading and Reading" with CMA Students

Caleb Ricketts and Nico Biagioni, students at Culver Military Academy, are volunteering their time this summer at the Rochester Library. Their program, "Leading and Reading," will help children and teens set reading goals and learn what it means to be a leader. Dates and times will follow. If you have an interest in spending some time learning with two of CMA's finest students, come by the literacy office and ask for Tim Roe or leave a message on his direct line (574) 223-1008.

**All branches of the
Fulton County Public Library
will be closed
Monday, July 4th
in observance of
Independence Day.**

Interim Director's Corner

Hello everyone,

I'm Andrea Stineback. The Board of Trustees asked me to be the Interim Director and I gladly accepted the offer. I've worked at FCPL for 9 years and am excited to make the most of this opportunity. Please feel free to reach me by phone or by email (astineback@fulco.lib.in.us). I want to hear your comments, concerns, and suggestions. The library is *your* library. We wouldn't be here if you didn't visit us.

We have some great things planned for our Summer Library Program which begins June 6 and runs through July 25. The staff and I are excited to get SLP started! Check out the attached events calendars. There's something for everyone!

Look for us in Fulton County's Indiana Bicentennial Parade on Friday, June 17. We will also have a booth at the 2nd Annual Block Party downtown on June 18. We are hosting another Cornhole Tournament this year during the Block Party. If you are interested in participating, give us a call.

Be on the lookout for a survey about our Makerspace. We are tentatively planning on rolling out the Makerspace later in 2016 and we want to hear your thoughts and ideas about this project.

Here's to a great summer,
Andrea Stineback

Noun, a writing project, would like to formally invite each patron to take part in our first ever poetry contest. Entry forms and submission guidelines are located throughout the library. The contest is for two different age groups: teens ages 13-17 and adults 18 and older. There will be prizes for first, second, and third place in each age group. Poems will be judged the week following summer reading. The winner will be announced once the judges have reached a unanimous decision.

Our next meeting is June 16th. The topic will be the life and work of Emily Dickinson, as well as an exercise in dialogic/dialectic writing. Clue: The mystery of history's shackled hands revealed through Houdini's great escape.

Magic: The Gathering Game Days

Do you play Magic: The Gathering? Are you interested in learning how to play the game? We are hosting Magic game days in Meeting Room A on Wednesday, June 22 from 4:30-7:45 and on Saturday, June 25 from 10:00-4:45.
